PRE MID TERM TEST (JULY) CIRCULAR

To

All the parents and students

The pre midterm tests will be conducted from the 7th of July. The schedule and syllabus are shared through whatsapp.

Kindly take these exams seriously as the marks will be considered for the final result.

Kindly advice your wards to be sincere in exams. Getting marks through cheating is a roadblock in the growth of your children. Both the parents and teachers will be under a false impression about the learning of the children.

This test will be online/offline. Question papers will be sent online on the given day. Students shall write from home on the answer sheets given from the school.

The parents can collect the answer sheets from July 1st to 6th from the school. (Except Sunday)

The answer sheets should be returned within two days of the last exam.

Moral Science & GK tests will be conducted fully online.

Fr. Shaji Joseph

Principal
