John's Eagle 2021-22 Vol. 2

MESSAGE FROM THE PRINCIPAL

Dear students/parents/teachers

“The people who live in darkness will see a great light. On those who live in the dark land of death, the light will shine.” (Matthew 4.16)

Christmas is about being hopeful and Positive. Christmas reminds us that God is with us in all our trials and tribulations. If God is with us who can be against us? I wish the entire St. John's Fraternity celebrate Christmas with hope and positive vibes and carry forward them to the coming year.

We are extremely happy to bring before you the Christmas edition of the John's Eagle in the digital format. We had the last issue of the newsletter also in the digital format. I congratulate and appreciate the efforts of all who contributed to this edition in various capacities.

Wishing you all a Merry Christmas & Happy New Year

Fr. Shaji Joseph
Principal

From Editor's Desk

Dear Readers

We are really proud and exuberant to acclaim that we are ready with all new hopes and hues to bring out the second digital edition of the John's Eagle. 'The great aim of education is not knowledge but action'. John's Eagle is to be viewed as a launch pad in this direction for the children's creative urge to blossom naturally.

During the global pandemic we realized that how much we have grown together digitally despite being apart. The deep scars left on our mother earth are now healing and it is being restored to its former glory. The school campus is vibrant once again with the rainbow glory of children.

So here we go again with the next issue of the newsletter which is a reflection of sentiments of our young writers expressing their emotions and happiness during Diwali, Children's day and Christmas. Nothing can encompass and convey our emotions better than our art. We, through this newsletter try to explore the school spirit built up by means of fantastical and magical side of the students' creativity. My earnest thanks to our honorable Principal for entrusting us with the responsibility to go digital. I also express my heartfelt thanks to all my colleagues for their sincere support. We express our praiseworthy appreciation to all the young writers and warm wishes to all the readers.

FACTS ABOUT CHRISTMAS

As December month starts everyone waits for Christmas. It is celebrated to mark the birth of Jesus Christ. Christmas was first celebrated in 336 A.D in Rome. Presently, it is celebrated worldwide and it is a public holiday. so people get a Christmas break to celebrate it.

Preparations for Christmas start early for most people but celebrations begin on the eve of Christmas. People buy gifts and decorate their house with Christmas trees, stars, glow balls and presents are placed under the tree which are not opened till Christmas Eve. Songs, Christmas carols and skits are performed on Christmas days at churches.

Traditionally turkey and plum cakes are the common eatables eaten on Christmas Eve. Kids are showered with lots of presents and new dresses. The main highlight of Christmas is the 'Santa Claus'. It is believed that a man dressed in a fluffy red and white costume with a red pouch on bag full of presents, came on a sledge with his nine reindeers spread happiness all over the world and gave present to kids.

Christmas reminds us of the importance of giving and sharing with friends and family. Through Christmas, we know that Jesus' birth is the beginning of great things in the world. Christmas is such a festival which people from all religions celebrate worldwide despite it being a **Christian festival.**

CHRISTMAS

Christmas, also known as X'mas is celebrated enthusiastically every year on 25th December. Christmas is a festival of joy celebrated by Christians across the world. It is celebrated to mark the birth of Jesus Christ. Though the exact date of Christ's birth is not known, the Roman church fixed it as 25th day of December in the 4th century.

On Christmas, people decorate their houses as well as the Christmas tree. Happiness on this day is shared by giving presents to each other. Christmas is a public holiday in many countries. People celebrate Christmas with their families and spend quality time with each other.

Children expect Santa Claus to come to their houses and bring gifts for them on Christmas Eve only when they are asleep. Christmas brings joy to many houses and enlighten many faces with smile.

Hooriya Anam 9th E

“For God so loved the world, that he gave his only begotten Son that whosoever believes in him should not perish but have everlasting life”. Jesus came to do the will of his father this is the cause Jesus came to the world to **save His people from their sins by his life, death and resurrection.** Before he was born, Lord said, “ a virgin will have a son and he will be called Immanuel” (which means “**God is with us**”). Jesus was born in the small town of Bethlehem.

Christmas is celebrated all over the world on 25th December every year. Christmas is one of the important and memorable festivals among Christians. It is celebrated with lots of joy and happiness. At night Santa Claus comes with lots of gifts to children. Children wait for him during Christmas they love Santa. Santa is very popular all over the world. Santa is also known as Father Christmas and he is known with lots of name.

People give presents to their friends and family. They decorate their houses with colourful lights, Christmas tree. They also prepare a crib.

The message of Christmas is that where there is **hope, peace, light, love and life** the plan of God will reach.

Headmistress Message

The significance of Christmas is known to everyone. As we all know Christmas is celebrated as the day of the birth of Jesus Christ in this world and it symbolizes the significance of life. He was born in a world that only knew greed, hatred, vengeance, and hypocrisy. In spite of all the negativity that was spreading around the world as he grew old, he eliminated all of it and taught everyone to love each other and the significance of how being grateful for what a person has, can bring peace to the world.

The word “ Khrist Jayanti or Christmas “ evokes many pictures in the mind-manger , decoration , Christmas cards , gifts , Christmas cake, sweets , midnight mass , carols etc. But all this can be called only the surface crust and peel. What and where is the real meaning of Christmas ? What must have happened in the distant Bethlehem ? A virgin bears a child, Joseph watching a virgin’s childbirth in disbelief.

The angel’s message was fulfilled but to Mary’s surprise, the noise of the inn, the crowd of travelers , the smell of the humble cowshed ,it’s animal’s silence , curious, still indifferent.

Then some shepherds came ,saying that they saw angles. Some kind neighbour who brought some clothes and food for this holy family. Mary and Joseph too must have had difficulty believing in the divinity of this helpless, newborn baby who looked so ordinary, so insecure. How could they see in him the Son of God, the Saviour of mankind? And even that army of angles must have been stunned to see this incarnate God.

“God who became man”. We have been given an astonishing secret. Don't let our outward activities turn us away from this true essence of Christ birth.

Christmas is not just a mere event, it is a special event that turns our history and takes it to heaven. We will never be able to understand the fullness of it's importance nor will we be able to fathom its hidden mystery.

God is with us, he will never depart from us until the end of time. The prince of peace has come into our world, to dispel it's darkness, to warm its indifference, to fill it's emptiness, to deliver it from the clutches of evil. Let us experience this God of peace as our supporter and conqueror whom we have chosen to follow on the path of salvation.

Jesus has come here to stay with us, But in midst of chaos in which we live, where is He hidden? Where to find him in the lawless and abominable circumstances created by us? Has his arrival made any difference in human lives? Nevertheless He still has reigns over everyone and everything. Everything in his hands like yeast in the dough. He innovates everything and makes it fruitful.

What difference the coming of Christ has made? The seed of faith has been sown in the human lives, like a magnet, He draws everything to himself. Everything has changed nothing will remain the same. It takes the eyes of faith and patience to see him here and now. Therefore 'Christ Birth' will last 365 days, a year, until the end of time. Let us Join our hearts with the group of angles, and sing with joy and reverent love, before the blessed mystery. “Gloria in Excelsis Deo”

Merry Christmas to you, God bless you and your family with love, peace and joy. May the joy filled the world at the birth of Jesus Christ be found in your home.

Sr.Maxie Monteiro

MERRY CHRISTMAS

Christmas, does it sounds similar to the word happiness? Ya of course it is, because Christmas is not less than a big bundle of joy and enjoyment. For children Christmas is the most enjoyable festival. The reason is clear, they receive surprises, gifts and chocolates. They also enjoy decoration with their friends and family. Christmas is very old festival. It is an annual festival commemorating the birth of Jesus Christ, observed primarily on December 25 as a religious and cultural celebration among billions of people around the world. So just spread happiness as much as you can on Christmas.

Prayer to the Creator

Oh My Lord! Here I come,
With a broken heart,
For you to heal.

Oh my Lord! Here I come,
With a stress,
For you to relieve.

Oh my Lord! Here I come,
With a mountains of sins,
For you to forgive.

Oh my Lord! Here I come,
With tears,
For you to wipe.

Oh my Lord! Here I come,
With a bad past,
For you to make good future.

दिवाली का आया त्यौहार

जगमग उठी है दुनिया सारी
हंसी है आज हरमुख पर
दिवाली का आया त्यौहार

सजी हैं गलियाँ, सजे हैं घर
उत्साह भरा है चारों ओर
जहां भी देखो इधर उधर
दिवाली का आया त्यौहार
रोशन है धरा, काला अंबर

14 वर्ष के वनवास के बाद
आए श्री राम जी जब लौट कर
स्वागत किया लोगों ने उनका
घी के दीपक जला कर

बधाई देते एक दूजे को सभी
अच्छे-अच्छे उपहार देकर
शत्रु भी बन जाए मित्र
ऐसा है यह शुभ अवसर

मेरे श्री राम

जिनका जीवन ही मर्यादा है,
वह नाम नहीं यह गाथा है।
हम अपना शीश झुकाते हैं,
मेरे श्रीराम कहलाते हैं।

धर्म के ठेकेदार सुन लो,
जो जात पात बतलाते हैं।
हम रामचरित्र के अनुयाई,
हम सब को गले लगाते हैं।

शबरी के हाथों से जो,
झूठे बेरों को खाते हैं।
हम अपना शीश झुकाते हैं,
मेरे श्रीराम कहलाते हैं।।

दिवाली की सीख

दिवाली है बुराई पर अच्छाई की जीत का प्रतीक
सच की सदा जीत होती है देता है यह सीख
दीपों की पंक्ति है दीपावली का अर्थ
अंधकार को मिटाने में अकेला दीप भी है समर्थ
माता लक्ष्मी और गणेश जी का होता है इस दिन वंदन
चौदह वर्ष बाद लौटे थे इस दिन रघुकुल नंदन
राम जी के लौटने पर दीपक थे जलाए
सारी अयोध्या हर्षित थी सब ने थे मंगल गीत गाए
दीपावली है रोशनी और खुशियों का त्यौहार
प्यार से सब मिलते हैं इस दिन देते हैं उपहार
दीपावली पर होती है घरों में साफ-सफाई
बनते हैं पकवान और खाते हैं सभी मिठाई
अंधकार पर प्रकाश की जीत का है यह पर्व
भारतीय संस्कृति पर सिखाता है हमें यह करना गर्व

"सपनों में उड़ान भरो"

कुछ काम करो,
ना मन को निराश करो,
पंख होंगे मजबूत,
तुम सपनों में साहस भरो,
गिरोगे लेकिन फिर से उड़ान
भरो,
सपनों में उड़ान भरो।।

तलाश करो मंजिल की
ना व्यर्थ जीवन दान करो,
जग में रहकर कुछ नाम
करो,
अभी शुरुआत करो,
सुयोग बीच ना जाए कहीं
सपनों में उड़ान भरो।

समझो खुद को,
लक्ष्य का ध्यान करो,
यूं ना बैठकर बीच राह में,
मंजिल का इंतजार करो,
संभालो खुद को यूं ना विश्राम
करो,
सपनों में उड़ान भरो।

उठो चलो आगे बढ़ो,
मन की आवाज सुनो,
खुद के सपने साकार करो,
अपना भी कुछ नाम करो,
इतिहास के पन्नों में अपना
नाम दर्ज करो,
सपनों में उड़ान भरो।

बहक जाएं गर कदम,
तो गुरु का ध्यान करो,
तुम पा ना सको ऐसी कोई
मंजिल नहीं,
हार जीत का मत ख्याल
करो,
अडिग रहकर लक्ष्य का
रसपान करो,
सपनों में उड़ान भरो।

LIGHT A CANDLE

When you light a candle this year
learn to burn a candle's way
Glowing self, melting exterior
till the last breath is snatched away.

When you light a candle this year
capture the spark in your eye
let it twinkle through life
like star twinkles in the sky.

When you light a candle this year
let the glow travel inwards too
through a thick yet warm air
To make you gleam and Shine through

When you light a candle this year
look in the eyes of the matchstick
see it smile through the flare
See it live in the candle's wick

अनमोल कलियां

इस रंग बिरंगी दुनिया के
प्यारे से यह मेहमान हैं
बच्चों से ही तो घर हैं
वरना सिर्फ मकान है
इनके लिए मंदिर मस्जिद
गिरजाघर एक समान है
निर्मल से हैं इनके मन
जिन में बसते भगवान हैं
बच्चों से ही तो घर हैं
वरना सिर्फ मकान है
तेरा मेरा भेद न जाने
सबको यह अपना माने
आसमान को छूना चाहे
ऊंची इन के सपनों की
उड़ान है
बच्चों से ही तो घर है
वरना सिर्फ मकान है
बच्चे कोई जाति न जाने
किसी धर्म से नहीं इनकी
पहचान है
मन में इनके प्रेम का सागर

मित्र इनके लिए सोने की
खान हैं
बच्चों से ही तो घर हैं
वरना सिर्फ मकान है
प्यारी सी है दुनिया इनकी
फूलों सी मुस्कान हैं
जीवन की बगिया में बच्चे
स्वयं फूलों के समान हैं
बच्चों से ही तो घर हैं
वरना सिर्फ मकान है
आज के बच्चे कल का
भविष्य
हम सब का ये अभिमान हैं
बातों में इनकी चंचलता है
देश की आन और शान हैं
बच्चों से ही तो घर हैं
वरना सिर्फ मकान है

HAPPY DIWALI

Diwali also popularly known as Deepavali, is one of the the most auspicious festivals of Hindus, not only in India but also Hindus living across the world . This festival is celebrated with great enthusiasm by people. Although it is considered as Hindu festival, but people from different communities celebrate this festival by busting crackers and fireworks.

According to Hindus, Diwali is celebrated when Lord Ram returned to Ayodhya along with his wife Sita, Brother Lakshman and Hanuman after defeating the demon King Ravana. This religious festival signifies the victory of good over evil and the triumph of light over darkness .

Diwali is often referred to as festival of light. People light earthen oil lamps and decorate their houses with light of different colours and size which glitter at their entrance . Kids love bursting crackers and different fireworks .

On this auspicious occasion Goddess Lakshmi and God Ganesh are worshipped by Hindus . People believe that this beautiful festival brings wealth , prosperity and success to all. People also buy new cloth for themselves and look forward to exchange gifts with their family , friends and relatives.

Festival of Lights

The festival of lights, love and joy , Diwali which is one of the biggest festivals of India. It is a Hindu festival which brings charm and delightfulness in everyone's lives.

Diwali is celebrated to remark the happy return of lord Ram after defeating Ravan, and teaches us that good always wins over the bad. Diwali is a five day long festival which comes after 20 days of Dussehra every year. **Diwali is all about throwing out negativity out of mind , body and society too.** On this occasion, people greet each other and distribute sweets among themselves. It begins from Dhanteras and ends on Bhai dooj and also it falls every year on the 15th day of the Kartik month.

When we celebrate Diwali we must make sure that the festival be happy for the nature and the environment too. So brighten up the nature not with firecrackers but with love.

Have safe , green and happy diwali !!!!

जत्रत

जत्रत जत्रत जत्रत
नाम ही शायराना है
हो जाए खुश ये दिल सुन कर जिसे
ये शब्द बहुत खास बहुत ही सुहाना है
मिलती नहीं जत्रत किसी दूसरी दुनिया में जाने से
सच हो सकता है ख्वाब इस धरा को स्वर्ग बनाने से
मुश्किल नहीं है ऐसा कर पाना जरा भी
बस प्यार देना होगा निस्वार्थ भाव से चाहे सामने हो कोई भी
हर किसी में ईश्वर का अंश देखना होगा
इंसान हो या कोई भी प्राणि मन में उसके लिए अपना पन देखना होगा
देना होगा वही सम्मान सभी को जिस की उम्मीद औरों से लगाते हैं
प्यार देना, ख्याल रखना जादूई शब्द कहलाते हैं
दे कर तो देखो कभी एक अजानी सी खुशी का अनुभव करोगे
ना मिल पाई जो शांति उमरभर उसे अपने अंतर मन में भरोगे
हाथ दे कर देखो किसी जरूरतमंद को कभी
साथदे करदेखो किसी की तनहाई में कभी
तुम भी सोचते होगे, कहां से लाए जरूरतमंद को रोज
वक्त भी तो होना चाहिए कैसे करें रोजाना उनकी खोज
पर यकिन करो जरूरत नहीं है खोज ने की
आंख खोल कर देखो मिलेगी पूरी पंक्ति मासूमो की निर्बलो की
हो सकते है वो किसी भी रूप में, छोटे भी, बड़े भी, हो सकते हैं अति सूक्ष्म
भी

सही नज़रिये का होना जरूरी है
किसी के काम आने की मन में चाह जरूरी है
पेड़ पोधे चूहे बंदर
हर जगह घिरे ही तुम मासूमों से
देकर देखो साथ उनका कभी
पा जाओगे खुद को
होगा गर्व भी होगा खुद से प्यार भी

जिन्दगी के अफसाने

रौशन था जग इन दियों से
चहकते थे मौहल्ले इनकी खुशियों से
दुनियाँ की साजिशों में इनका क्या कुसूर था
मरने वाला तो हर बच्चा बेकसूर था
पहले जिदंगी थोडी आसान हुआ करती थी
मौत से पहले बीमारियों का पैगाम दिया करती थी
बुजुर्गों के लिये भले ही बेरहम थी
पर बच्चों को तो बक्छ ही दिया करती थी
ना मास्क थे जिदंगी में
ना घूमना फिरना था बदिंशों में
वो जिदंगी के अफसाने थे
वो कुछ पल पुराने थे। ❤️

“A FAILED RESULT”!

When your confidence came crushing down,
You find excuses to cover around.
Blooming of thoughts and fear aroused,
You stuck in past by stressing about.
Blinking of eyes and fear around,
Reality blear and negativity around.
But what's the point of being stressed?
When time to time destinations change,
Struggles done and priorities change.
It's hard to regret, than trying again,
You lose once start over it again.
It's time to make a change in you,
Previously you failed but -
this time you have to do!!

यह तिमिर अवसाद

यह तिमिर अवसाद हमको छाँटना है।
ज्ञान का सूरज उगा है बाँटना है।।

पीढियों की पौध दानेदार हो;
इसलिए नाव खाद फिर तैयार हो।
घास खर परवार हमको काटना है।।

उग रहा है झील में नीला कमल;
गंधवाही दूध सा अद्भुत विमल।
आ गया संदेश अब तो बाँचना है।

दूसरों का दर्द यहाँ देखा ही नहीं;
पास में जिसके करुण रेखा नहीं।
जिंदगी उसकी महज एक ही याचना है।।

जिंदगी के सफर में कुछ कश्तियाँ छूट रहीं हैं
तो वहीं कुछ हस्तियाँ रूठ रहीं हैं
बेखबर है इन्सान कल से
गुमसुम सा बैठा है मरने के डर से
खासी जुखाम होने पर बेचैनी सी होती है
किसी से बी-पौजिटिव भी कहो तो अब तो बद्दुआ सी
लगती है
पृथ्वी लोक पर कुछ अवतार मरने की धमकी दिया
करते थे

अब डबल मास्क लगाये खुद को बेखौफ कहते फिरते
हैं

हर जिंदगी में अब तो एक जैसा ही गम है
अब तो बहादुर से दिखने वाले वौ रिपोर्टर्स भी नम हैं
मरने वालों से ज्यादा जिंदा दिल रो रहे हैं

बस एक ही उम्मीद में जी रहे हैं
कभी तो सूरज निखरेगा
कभी तो कोरोना बिखरेगा
लेकिन तब तक पता नहीं कितनों का साथ छूटेगा
और कौन अपनों से रूठेगा

कभी तो सूरज निखरेगा
कभी तो कोरोना बिखरेगा।। 🙌 ❤️

Responsibilities of Students' Council

Students' Council is a helping administrative body, which is created to enhance students' learning skills in all the sectors. It is an advisory body which works together to take decisions to help the school, providing some ideas and opinions to make the school best place for learning. Each and every member of students' council comes with certain responsibilities as soon as they are elected. Council members should have the quality of leadership amongst themselves. They should serve the school with the utmost interest and dedication to uphold the name of the institution.

Council members should be in touch with the students to know their opinions that what improvements they want to see in the school's system. Council members should have updated information about the ongoing activities, events and the requirements of students. They should create awareness to use the school's resources wisely. It is also the responsibility of the council members to inculcate etiquettes and some moral values among the students. All of us are witnessing that the number of students visiting the library at a regular intervals decreasing day by day. This is because, the students are forgetting that books are one of their best resources provided to them by the school management. So it's the responsibility of the council members to urge and encourage the students to visit the library frequently and inculcate a reading habit.

Students' Council should arrange the meetings of council members at a regular intervals. They should think of conducting several activities which should help the students in their personality as well as their cognitive development. They should regularly update the principal with all the information. **The council members have the biggest responsibility on their shoulders to be the best, honest, punctual, hard-working, and skillful role models to give motivation and inspiration to all the other students and help the school to reach the top.**

CHILDHOOD

When I was 1,
My life begun.
When I turned 2,
I started walking too.
When I turned 3,
I was standing still.
When I turned four,
I started talking more.
When I turned five,
I was really on high.
Now I am 12,
I am so tall.

JOURNEY

Once you walk
forward,
Never look back.
Once you raise
your head,
Never put it down
back.
Once you look up
at the stars,
Never look at your
legs.

When I will grow more in coming years
I will learn more etiquettes and values
When I will earn success and money for my livelihood
I am sure that I'll miss and don't remember my childhood
I wish this moment will not fall apart.

NATIONAL LAW DAY

Our country is celebrating its 75th year of Independence as the “Azadi Ka Amrit Mahotsav” this year. In order to commemorate the day of adoption of our constitution, the occasion of Samvidhan Diwas (Constitution Day) is also observed. CBSE had asked every school to observe 26th Nov., 2021 as Samvidhan Diwas.

The National Constitution Day is also called National Law Day or Samvidhan Diwas and it is celebrated every year on 26th November. Dr. B.R. Ambedkar played an important role in the formation of our Constitution .The Constituent Assembly entrusted the job of drafting the Constitution to a committee chaired by Dr Bhimrao Ambedkar.

The Constituent Assembly of India was established in 1946. In the beginning of 1948, Dr. Bhimrao Ambedkar completed the draft of the Indian Constitution and presented it in the Constituent Assembly. On November 26, 1949, this draft was adopted with very few amendments and the Indian Constitution came into force on January 26, 1950.

The Preamble of the Constitution declares India as a sovereign, socialist, secular and democratic republic and aims to secure justice, liberty and equality to all citizens and promote fraternity to maintain unity and integrity of the nation.

The Constitution of India has borrowed features from other countries, including Britain, Ireland, Japan, USA, South Africa, Germany, Australia, and Canada.

The Constitution of India is a hand-written document. It is one of the longest hand-written documents in the world.

The original hand-written copies are preserved in helium-filled cases in the Library of Parliament House. The constitution of India lays down the framework for the political code, structure, procedure, powers, and the duties of the government bodies and provides the fundamental rights, core principles, and duties of the citizens towards the country.

Better Than The Best

*Try, try, try, till you succeed
Never kneel before fate and plead
For nothing is out and reach
Just do your and preach.*

*Determination and courage never go waste,
Their fruits have the sweetest taste
Desire and hard work can make
dreams come true
and give the satisfactory delight too.*

*Give the world the best of you
And you will be the best
among not a few.*

*But, disheartening on failure is a crime
You are hiding your talent which is prime
Hope, hope, always hope
For this is the rope that takes you
past the victory slope.*

*And once you have done your best
Leave Almighty God!
To do the rest.*

Children's Day

We celebrate children's day each year on 14th November in the memories of our First Prime Minister, Pandit Jawaharlal Nehru, who had a special affection towards children.

As children we had the freedom to make mistakes, even the worst mistakes were regarded as being "cute", but as we grow up we are afraid of making mistakes. Most of us lose our interests due to the hunger for success. The competitive world forces us to give up our child-like imagination, thinking, and innocence. As children, we never think about limitations, but as we grow up, we realize the bounding box of possibilities.

Children's day makes us rethink ourselves. This day we tend to remember all our childhood. All the mischiefs, the fun, the positivity, and the limitlessness we had as children. Children have a different kind of enthusiasm that grown-ups lack. Children never fear failure and they never have pride over their success.

This day inspires us to be children again, to have the same positivity we had as children, to gain the same limitlessness as children, to never fear failure and never have pride over our success.

Childhood is about innocence and playfulness. It is all about joy and freedom.

JUNIOR SCIENCE QUIZ

Vision for My School

Our school St Johns has a very good respect and reputation in Firozabad. The reason behind this is nothing but its capability to make students better in every field of life. It provides students better education, good sports facilities, cultural programmes, discipline ,well maintained classrooms etc, It is associated with CBSE board. We have some visions for our school.

1. Every single student in our school campus should speak fluent English.
 2. Our school should become the best school in academic and sports in the district.
 3. Our school should develop a more practical method of education.
 4. Innovative technologies should be implemented in our classrooms.
 5. Students must be trained to develop good health and hygiene.
 6. Teachers and students together must collaborate and make education practically easier and interesting.
- We dream to make this a reality.
